

Mrs. Jonniah William-Mollel

CEO, East African Health Platform EAHP

Mrs. Jonniah William-Mollel is currently the Chief Executive Officer at East African Health Platform (EAHP) serving the 6 East Africa Community Partner States namely Burundi, Kenya, Rwanda, South Sudan, Tanzania mainland & Zanzibar and Uganda. Her duty is to oversee the platform's growth while facilitating interaction between the EAC and the health businesses and Non-Profit private operators by promoting cross boarder markets and partnerships.

She holds a Master of Science in Research & Public Policy, a Post-Graduate in Management of Foreign Relations and a Bachelor Degree in Political Science and International Relations.

Before joining the platform, Ms. Mollel worked for 6 years at EANNASO as a regional Technical Advisor for TB and HIV advocacy. Previously she worked at the UNAIDS Country Office in Tanzania, serving the Development Partners Group on HIV and AIDS to enhance cooperation with the UN family and the Government of Tanzania mainland and Zanzibar.
